PYV appoints Adam Golder to its senior management team

Adam Golder has been appointed Executive Director of PYV Limited, the Lloyd's and specialist Professional Indemnity Insurance (PII) broker, effective immediately. His role at PYV is to focus on larger accounts across the PYV Group.

Adam has considerable industry expertise, with over 25 years' broking experience, and a proven track record in strategic and operational positions. His long career has encompassed specialist insurance roles at Sedgwick, RK Harrison and Marsh. He was Chief Executive of specialist insurer AXA Art Insurance Limited from 2001 to 2006, and recently Adam has taken on senior roles within the insurance industry.

PYV is at an important stage of its development as it looks to further consolidate its position as one of the leading brokers in the professional indemnity insurance market. Adam's arrival is timed to help PYV expand its client base, with a specific focus on medium-to-large solicitors, IFAs, mortgage brokers and other advice-oriented professions.

Commenting on the appointment, Nick Pointon, PYV Director, said: "Adam brings a vast amount of experience to the role and I am delighted to have someone of his calibre joining the PYV team. We are witnessing increasing demand from our clients for independent advice and broking expertise, and we see this as an opportune time to grow our capabilities. Adam will have a pivotal role in helping achieve the goals we have set out."

"I am excited to have joined PYV at this key stage in the development of the company," said Golder. "PYV is a considerable force in the PII market and very well placed to grow. PYV is an established and dynamic firm that has a strong reputation for exceptional client service and for the delivery of insurance to the professional sector. I look forward to working with Nick and PYV's senior management team in taking the company forward."
