Attention Robert Bass

23rd April 2009

Dear Robert

I enclose – without comment - copy of email received today.

I want to take this opportunity to thank you personally, and all your colleagues at PYV Ltd., plus the solicitors for your patience and advice through what has been a somewhat stressful time for both me and, indeed my wife.

Should you wish to use this letter in whole, or part, as an endorsement of the services offered by PYV please feel free to do so.

Take care, again thanks.

Yours Sincerely
